Technical skills

- **Adobe Photoshop**
- **Adobe Illustrator**
- **Figma**
- **HTML5 (BEM) / CSS3 (SCSS/SASS)**
- **JavaScript (ES6+) / jQuery**
- **Git**
- **React**

Summary

I have good soft-skills: responsible, well-trained, assiduous, proactive, disciplined, calmly accept reasoned criticism. Also this year I graduated from the bachelor's degree in cybersecurity, it means my analytic abilities are at a high level, and I have 2 years of experience as graphic designer

Work Experience

Freelance Experience	**01/2020 - Present**
